NEVER ALONE Comic Book Order Form**

Educate fourth - through eighth-graders in your community about the perils of underage drinking and bullying.

The Elks National Drug Awareness Program teamed with Marvel Entertainment to produce a new comic book called *Never Alone*. This new comic book features Marvel Super Heroes (The Avengers) and Elroy the Elk in a battle against peer pressure, bullying and underage drinking! The comic is designed to educate fourth- through eighth-graders about the perils of peer pressure, bullying and underage drinking.

To place an order for a school, please complete this form and return it to your State Association DAP Chair. Completing this form does not mean the school will automatically receive the comic book, but will put them on a list to receive them. The selection process is controlled by Marvel Entertainment and the Elks have no control over who will receive the comic books. However, without the completion of this form the school will not be eligible to receive the comic book.
